 - Performs housekeeping tasks as needed for health and comfort in the client's home.
 - Makes beds, changes and launders linens and bed clothing.
 - Prepares meals.
 - Grocery shopping or household shopping related to the health and maintenance of the client.
 - Accompanies patient to physician/clinic via taxi or client's car per program guidelines
 - Vacuums and dusts.
 - Clean bathrooms.
2. Is responsible for client's satisfaction in care received.
 - Meets clients needs, within reason, consistent with the agency policies.
 - Is seen as cooperative and willing to assist client, as measured by client satisfaction surveys.

- Advises supervisor of requests which cannot be met or of conditions which are unsafe.
 - Promotes positive impression of agency services.
3. Is dependable to client and agency in both providing and documenting services.
- Provides services when scheduled.
 - Communicates promptly to Agency and client any schedule change.
 - Organizes and implements his/her schedule to meet productivity expectations.
 - Caregiver regularly communicates with supervisor via telephone, or in person regarding caseload status
 - Completes and submits required paperwork accurately and on time per agency policies.

Education:

High School diploma or equivalent preferred but not required.

Experience:

Previous Personal Care Provider experience is preferred. Evidence of hours of training as a personal care provider is required. This may be from a hospital, nursing home, or home health facility. Twenty hours of formal training will be waived if the employee has had a job history or job training where personal care skills can be validated by documentation or on-site observation by a clinical supervisor.

Requirements:

1. If car is used, must provide proof of adequate insurance coverage totaling at least \$300,000 and valid Colorado driver's license.
2. Annual TB testing and/or screening.

Skills:

1. Daily standing, squatting, walking, bending, and maneuvering in private homes which are not barrier-free.
2. Daily bending, twisting, overhead reaching, and push-pull activities; daily lifting requirement of 25 pounds (to pick up groceries, operate vacuum cleaner and move it up and down stairs, etc) for each patient seen.

Knowledge:

1. Must have knowledge of practices and procedure of personal care sufficient enough to follow accepted practices.

Abilities:

1. Can read and interpret basic instructions as well as respond to them, verbally and in writing.
2. Can respond to a variety of socio-economic and ethnic backgrounds appropriately.
3. Can elicit information from clients.
4. Can plan and implement one's work schedule.

Equipment:

1. Equipment to be utilized may include vacuum cleaner and household appliances.
2. Cleaning equipment used, such as commercial cleaning solvents, will be those provided by the client and are to be used only as directed on product label.

Working Conditions:

1. Work environment is highly variable, as care is performed in private homes. Lighting, acoustics, air quality, temperature, and environmental hazards are not predictable; home visits are made in most weather conditions.
2. May need to work evenings, weekends, and holidays.
3. This position has been classified as Patient-Facing, a position in which the incumbent could reasonably be expected to routinely interact with patients and/or patient family members. Employees in Patient-Facing positions are exposed to healthcare conditions that may require additional training, immunizations, and use of Personal Protective Equipment (PPE).

This description is intended to describe the essential job functions and the essential requirements for the performance of this job. It is not an exhaustive list of all duties, responsibilities and requirements of a person so classified. Other functions may be assigned and management retains the right to add or change the duties at any time.
